Amdavad is at the heart of India's proposed hosting model. With the city set to host the 2030Commonwealth Games, the development of world-class sporting venues and supporting infrastructure was highlighted as a key part of India's preparations for hosting the 2036 Olympic Games.

This was an opportunity for the Commission to hear directly from the project leaders about their vision for the Games; the anticipated legacy and impact; the alignment of their project with long-term local, regional and national development plans; their venue masterplan; local, regional and national support; and their funding strategy.

Union Minister of Youth Affairs & Sports Dr. Mansukh Mandaviya, Gujarat Deputy Chief Minister Harsh Sanghavi, along with senior officials from the Union Government and Gujarat Government were also present in the meeting.

The presentation was for approximately half an hour and was followed by an interactive discussion with the future hosts Commission & participants from India. India is among the seven countries currently engaged in the continuous dialogue phase with the IOC. The process is expected to move to the strategic dialogue phase in March 2027.
