Rajeev Mehta
Secretary General

It gives me great pride and pleasure to introduce this comprehensive booklet of Team India for the 2020 Olympic Games in Tokyo, Japan. After almost a year's wait, and having overcome the hurdles and challenges of the global coronavirus disease, my heart fills with great pride to see this young and energetic Indian Olympic Team ready to takeover Tokyo. This is a talented and a well-prepared team, also the largest our country has ever sent to the Games. Our determined athletes achieved qualification in more sports events than ever in the history of our participation at the Olympic Games and we have great hopes for Team India to do well and fulfil the prayers and wishes of a billion hearts supporting them, back home.

On 22 July 2021, the entire world will look upon Tokyo, when the Olympic cauldron will be lit at the Olympic Stadium and the greatest sporting spectacle on earth will open after its initial postponement in 2020. Tokyo will once again radiate the beauty and the power of sports as athletes, games officials and spectators will come together for the Games of the XXXII Olympiad, to celebrate the core Olympic values of respect, excellence and friendship. Together they will send across a powerful message of peace, solidarity and resilience to the world.

Hundred years ago, at the Antwerp 1920 Games when India sent its first Olympic team to Belgium, the contingent of 6 athletes and 2 officials returned with no medals but with great hopes that laid the seeds for the creation of the organisation that we are today, the Indian Olympic Association. Today as Team India embarks on this journey to participate in the Tokyo 2020 Olympic Games, I extend my best wishes to all the participating athletes, team officials, delegates and staff to put forward their best performance and behaviour in Japan.

Let's all join to cheer upon our valiant athletes and the Indian contingent to bring back glorious memories from Tokyo, that will set the stage for new milestones and create lifetime memories for everyone.

Dear Participants,

The coronavirus (COVID-19) pandemic that has plagued the world has not only had a significant impact on public health, society and the economy as a whole, but has also caused major losses in the field of sports.

In the challenging COVID-19 era, I extend my best wishes to all participating athletes, team officials, technical officials and delegates of INDIA to put on stake the hopes and dreams of millions of countrymen and showcase their talent at the 2020 Tokyo Olympic Games. Competition is an important part of sports and I cheer all participants and encourage them to compete not only to win but also the true spirit of sportsmanship- learning about yourself, about your sport and about working together as a team.

The time is hard with new challenges every day BUT we all have to take a positive stride forward. From all this, the sports should come out stronger. Let's make historical moves forward and come out with flying colours for the fellow countrymen to cherish them with medals across all sports.

Dr. Prem Verma IRS
Deputy-Chef-de-Mission
And Covid Liaison Officer

I feel honoured and privileged to be a part of 'Team India' 'Mission Olympics' Tokyo 2020. Participating in Olympics is a life time cherished dream of all the players. All the athletes have been preparing to participate in this event with full devotion and dedication for 5 years to realize their dreams and bring laurels & pride to the nation. I Congratulate and compliment all the Olympic bound athletes and salute their commitment & determination. The mantra of 'Vijayi Bhav' (विजयी भवः) is always deeply embedded in their minds.

I sincerely thank and compliment Sh. Kiren Rijiju, Hon'ble Union Minister of Sports and Youth Affairs and his entire team for making very elaborate and foolproof logistic and administrative arrangements for 'Team India' to achieve success in mission Olympics.

I would like to place on record my deep appreciation for the hard work done by Sports Authority of India by organizing intensive sensitization modules to make all the athletes and officials aware about the guidelines to be followed and to respect the ethics and culture of the host nation. Entire contingent of our players is the ambassador of culture and ethical values of India. I am proud to say that they are committed to observe the discipline and decorum of Olympic 2020.

I also wish to place on record my sincere appreciation to Dr. Narendra Dhruv Batra president & Sh. Rajiv Mehta, Secretary General IOA for their tireless work in devising a robust platform to address all the issues of players expeditiously and day to day effective coordination. Their professional commitment and dedication deserves a big round of applause.

Finally, I would like to congratulate all the members of 'Team India' for 'Tokyo 2020'. The blessings and best wishes of all the esteemed citizens of our entire nation are with you.
